

GASOILA®

SOFT SET THREAD SEALANT with PTFE

**STRONG.
PLIABLE.
RELIABLE.**

THICK

Thick, high viscosity, slow drying, sealant prevents leakage from vibration, temperature cycling and extreme pressures.

HOLDS STRONG

Soft Set positively seals pipe threads, joints, fittings, hoses, nozzles & more.

PLIABLE

Remains pliable for future disassembly and repositioning of parts after application, even in cold temps.

EASY APPLICATION

Soft Set is thick, drip-resistant, easy to apply & accurate

Gasoila has served the petroleum, plumbing, Lp gas and general industrial markets.

Manufactured in Small Batches

We manufacture small batches to meet the high quality standards set by our founders & trusted by our customers.

Made in Ohio

Manufactured in Cleveland, Ohio by family owned company, FedPro.

FEDPRO
